Welcome to our campus

Online learning is becoming increasingly popular, with take-up soaring especially over the last few months due to the continuing coronavirus crisis. Whether you're doing it interactively or passively, from your home, in practice or when you're on the move – e-learning offers a multitude of advantages. Thousands have already seized the opportunity to attend numerous FORESTADENT online webinars since April 2020.

To provide interested individuals around the globe with an even more attractive e-learning experience in future, we have pooled our range of digital training and continuing education courses on a corresponding platform - the FORESTADENT Campus 365. Whether you're looking for upcoming live online courses events, FORESTADENT online symposia, webinars, product courses or training videos – you'll find all the tools you need to make your on-screen learning comprehensive and appealing at www.forestadent-campus365.com.
